INSTALLATION

NOTE: Be extremely careful not to damage the seat back when installing the PlusOne seat console.

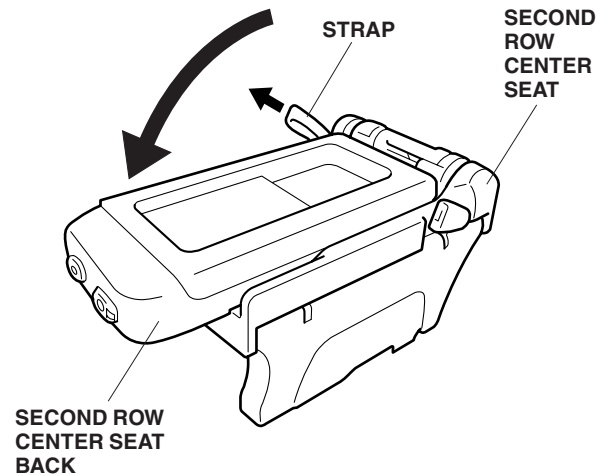

1. Release the lock and remove the headrest from the second row center seat.

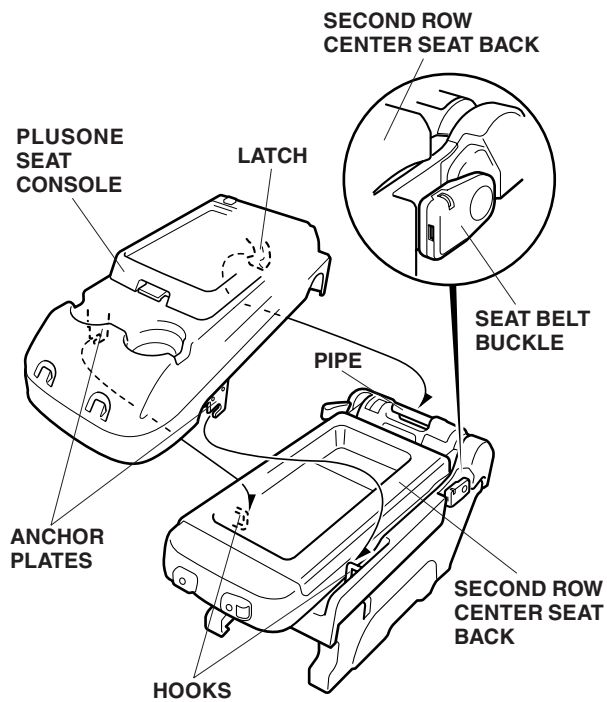

2. Pull the strap and remove the seat cushion from the second row center seat by lifting to release the two hooks.

3. Pull the strap and tilt the second row center seat back forward.

4. Push the seat belt buckle from the second row center seat all the down.

5. Position the PlusOne seat console under the armrest of the second row seat, then hook the two anchor plates to the two hooks, and push down to latch the rear of the PlusOne seat console.
6. Put the PlusOne seat console owner's manual in the glove box.
